A detailed schedule will be updated after we receive the preliminary entry form.

Individual ranking: All competitors will be included in individual ranking. Results of all 4
disciplines will be summed to one total result. According to this total
sum ranking will be done. In case of equal results, tie breaking will be
done by highest number of inner tens.

Team ranking: Each team must consist of 3 shooters. Team members can be from
different clubs. In that case team name will contain both club names.

Name of the club whose shooters form majority in a team, will be written first. If this team should win a cup, then the cup will belong to the club whose shooters form majority in the team. Ranking of teams will be done according to total score: from 1 shooter results of all 4 disciplines will be included, other 2 shooters choose 2 disciplines each which results will be included in team's total score (team score consists of 8 results altogether). The choice must be done half an hour before start of the first discipline. Although not included in team score, all shooters will participate in all 4 disciplines.

Awarding: 3 best competitors in individual ranking will be awarded with medals. 3 best teams will be awarded with cups and winning team also with a traveling trophy.

Participation fees: 40 EUR per person. The fee contains a lunch between the disciplines.
